German Tellez : Casa de hacienda: Architecture in the colombian countryside before purchasing it in order to gage whether or not it would be worth my time, and all praised Casa de hacienda: Architecture in the colombian countryside:

Traveling the country in search of the most significant aspects of Colombia's colonial ranch houses, this book brings to life the convergence of decisive elements of the country's past and tradition. These ranch houses were the scene of struggles, epiphanies, and downfalls in the country's history all evoked through the point of view of a historian specializing in architecture.
