Dave Bingham : Castle Rocks Idaho before purchasing it in order to gauge whether or not it would be worth my time, and all praised Castle Rocks Idaho:

0 of 1 people found the following review helpful. Good book By John T Cox A must have if you are going to climb in Castle Rock. If it is going to be open for climbing. I take it with me when I climb. I like to know the difficulty and the other info on each climb. Web apps work well to but I like to have the old hard copy.

Castle Rocks, Idaho - a magical place of spires, peaceful meadows and rugged backcountry - opened to the public for the first time in 2003. With this "Explorer's Edition" guide, you can discover this unique preserve for yourself. This book has all the information you need to climb over 150 rock routes, including complete maps, action photos, and area information to make your trip more enjoyable.
