Cemetery Tours and Programming: A Guide shows the range and opportunities of cemetery programming which go beyond the basic starting points like dog-walking or traditional historic walking tours. While most cemeteries do not have a large paid staff, the book is accessible to anyone (a paid staff, volunteers, a Friends Group, or museum or historical society) looking to broaden the scope of how their local cemetery is utilized.

About the Author Rachel Wolgemuth has an academic background in American Studies with a focus on folklore and material culture. She has over a decade of experience at a historic cemetery outside of Philadelphia.
