Justin Jon Rudelson, Lonely Planet Phrasebooks : Central Asia: Lonely Planet Phrasebook before purchasing it in order to gage whether or not it would be worth my time, and all praised Central Asia: Lonely Planet Phrasebook:

1 of 1 people found the following review helpful. Good for Travellers, but Needs a Stronger Russian Language Section By Jeff This phrasebook is a must have tool for travelling through Central Asia. It covers all the basic languages you'll likely encounter in the region in enough detail to get you through most situations. The one glaring

deficit is Russian, which is still widely spoken throughout the five Central Asia "Stans" once part of the Soviet Union. It has only a small abbreviated Russian section, requiring travelers to carry a separate Russian guidebook as well. The addition of a bulkier Russian language section would complete the guidebook for most travelers to the region. 1 of 1 people found the following review helpful. Turkic DelightBy CustomerMy mother is Crimean Tatar so I've always had a connection and interest in Turkic languages and Central Asia as a whole. I do like that they used the Latin or aromanised script for the languages in these books, although some of the cultures/nationalities have not adopted it fully yet so that may be a hassle when you arrive in a nation like Kyrgyzstan that still uses the Cyrillic alphabet for their language and for Russian of course. The only other issue is a like of phonetic pronunciation next to the phrases that are common to most other Lonely Planet phrasebooks, to help yankees like myself understand how the words should sound. Other than that I am very pleased with this book. I give it five stars for the simple fact that there are not many books out there that combine a family group of languages like this. Bravo! 1 of 1 people found the following review helpful. GreatBy DCVThis is just exactly what I wanted for a trip in September to Central Asia. It is perfect. Small, handy and has language for Kyrgyzstan that I cannot find anywhere else. Even Rosetta Stone did not have it!! Thanks

Lonely Planet: The world's leading travel guide publisherChit-chat your way along the famous Silk Road with this broad-ranging phrasebook. And once you've made an effort to speak any of the native Central Asian languages with the locals, you won't need to look up the translation for the word 'hospitality'. Covers Uyghur, Uzbek, Kyrgyz, Kazakh, Pashto, Tajik and more. Covers Uyghur, Uzbek, Kyrgyz, Kazakh, Pashto, Tajik and more Individual guides to pronunciation and basic phrases Fail-safe small talk Practicalities - how to book a room or find a doctor Lonely Planet gets you to the heart of a place. Our job is to make amazing travel experiences happen. We visit the places we write about each and every edition.
