**Rob Grader : Cheap Bastard's Guide to Washington, D.C.: Secrets Of Living The Good Life--For Free!** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cheap Bastard's Guide to Washington, D.C.: Secrets Of Living The Good Life--For Free!:

12 of 12 people found the following review helpful. Great value for the priceBy S. SmithI lived in the DC area for 14 years and this book taught me about things I missed. I would have appreciated additional information on whether the

location is available by public transportation. However, the author did a superb job of finding ways to live better for less and most importantly, how to live a fuller richer life for less. He might have mentioned the Folk Festival (free) each year and the outstanding parades, but I cannot remember. I immediately mailed the book to my daughter because we are going to DC in March, hoping to see the free cherry blossoms. I always loved the free Christmas concerts and the outstanding free parades by the military groups. I loved his "the catch" when it could cost you a nominal sum of money. I keep thinking I should write a book on how to navigate the DC public transportation system to get to the most common tourist attractions....with diagrams.....(signed) A cheapskate.7 of 7 people found the following review helpful. If you're a penny pincher, this book is worth every centBy Brian CurtisI bought this book because I'm new to DC and I'm into free stuff. I was expecting to find one or two gems to add to my to-do list, but I was pleasantly surprised by how well-researched and exhaustive the ideas in this book are. It's a bit cliché to say it, but this book will literally pay for itself the first time you use it. That said (and in the spirit of the book itself), if you're really miserly, you could probably just check the book out for free at your local public library.0 of 0 people found the following review helpful. One StarBy Mark Jaegermeistersmh

Living bigfor lessin America's capital Living big in America's capital takes just the sort of big bucks that fewer and fewer folks have at their disposal these days, right? Think again. Washington, D.C., is full of free and ridiculously cheap stuffone just needs to know where to look. Leave it to The Cheap Bastard to uncover all the ins and outs and exclusive bargains to be had, and to set forth the real deal with wit and humor. The Cheap Bastard's Guide to Washington, D.C. contains hundreds of ideas for living on the cheap without sacrificing necessities or luxuries. It shows: How to gain free entrance to plays, films, concerts, and museums Where to find free classes in anything from yoga to sailing Where to find half-price meals and free, filling, scrumptious food How to get a free haircut, color treatment, manicure, or low-cost massage When and where to find great furnishings in other people's trashWith The Cheap Bastard's Guide to Washington, D.C., anyonefrom students and recent graduates to frugal businesspeople, not to mention the capital's millions of recession-weary annual visitorscan enjoy the good life . . . for less!
