close to where eating time happens to catch you. You just look at the map, find your location and read the reviews of restaurants that are close by. 1 of 1 people found the following review helpful. Great Food Adventure By B. Schafer We travelled to Budapest in July 2003. We only got to use the book 2 times but each was a wonderful experience. We never would have found the restaurants mentioned without the book. We didn't worry so much about the prices quoted, but they were reasonable and the food was wonderful with generous portions. Finding the restaurants and exploring the area was a wonderful adventure and unforgettable experience. It was well worth the money spent. 0 of 0 people found the following review helpful. Cheap Eats in Prague, Vienna and Budapest: A Travelers Guide By A Customer We used this book in all three cities and found it to be the most useful guide that we had to the cuisines of the regions. As a result we enjoyed many interesting and delicious meals and restaurants. Maps are most useful in locating the places.

Prague, Vienna, and Budapest each receive over 250,000 American visitors per year, and the numbers are climbing steadily. In these new additions to Sandra Gustafson's impeccable series, we visit three of Europe's most delightful cities and discover all the best-priced hotels and restaurants. No other guidebooks have explored places to eat and stay in Prague, Vienna, and Budapest in such detail. With these romantic cities appearing on more and more European itineraries, Cheap Eats and the companion Cheap Sleeps in Prague, Vienna, and Budapest are sure to be instant hits among bargain-savvy travelers.

About the Author Sandra Gustafson has traveled throughout Europe, Asia, and the Middle East, and has lived in Paris, Prague, and Singapore. A recognized travel author with a growing, loyal readership, she currently lives in San Diego.
