Donner This little book is a must read for anyone seeking the most bang for their buck on their next (or first) visit to Hawaii. The author is extremely knowledgeable, and he provides a wealth of information in a slightly humorous, matter of fact style. It is not, nor is it intended to be, a guide to Honolulu night life (hence the title "Cheap fun"); but it does provide a wide range of wonderful activities that can be undertaken on the cheap or, in many cases, for free. I highly recommend this book.
