0 of 0 people found the following review helpful. Basics in travel planning By Michele Roberson Very basic. Useful to someone with no travel planning experience. Simple, easy to understand. Covers all the different aspects of travel. 0 of

1 people found the following review helpful. Seems to be exactly what we need. By LiteraryCatsLight weight but made of quality materials. Easy to fold away. Holds a lot.

A family holiday is an opportunity to break with routine, to reconnect as a family unit, and to experience exciting new places and adventures. A child's strongest memories of childhood revolve around vacations, so they are an important aspect of family life. Yet, the family vacation takes a great deal of planning and negotiation, to ensure you all enjoy the holiday of your dreams, and that you have prepared for every eventuality. Family vacations don't have to cost a lot because you can spend your vacations by taking day trips, enjoying outdoor adventures, educating your children while traveling, and so on. At the same time, vacation destinations have become more flexible in catering the varying needs and desires of their clients at affordable rates. In this book, you'll be guided on how you can plan for a simple family vacation. This includes choosing a place to stay, making your vacation less stressful with children, and more. At the same time, there are tips and ideas on saving money during your trip on food, activities, and souvenirs. Use this eBook to guide you in making the right choices to plan a fun, stress-free, and memorable trip with your family. This guide will help you balance your family's need for adventure with safety and practicality, whether your dream vacation is a road trip, a camping adventure, a beach holiday or a plane trip to an exotic vacation. With some forward planning, you can stay relaxed and organized while you enjoy the vacation of a lifetime with your family.
