Books.I bought this map because I needed a map of Chicago (obviously), I thought this would be a full city map of Chicago and it really is not. You get downtown Chicago, and like the magnificent miles, and some surrounding areas, but if you are looking for a full detailed map of the entire city, this is not the map for you.That being said, if you are a tourist looking for a map of the places you are most likely to visit as a tourist this is a decent map, and the map itself is pretty sturdy so it will probably hold up well over time.0 of 0 people found the following review helpful. nice detailsBy Cynthia A Ilgessecond try arrived, and looks great, large detailed map and hopefully it will help us find our way around the town later this month.

Waterproof Tear-Resistant Travel MapBusiness and leisure travelers alike will marvel at National Geographic's City Destination map of Chicago. The main road map covers the city's downtown area from the Gold Coast Historic District in the north to McCormick Place in the south. Along the way hundreds of popular and lesser know points of interest in pinpointed, including public transit stations, notable buildings, places of worship, hotels, theaters, police stations, hospitals and parks. Many of the city's most visited attractions are depicted in 3D, such as the Field Museum, Willis Tower and John Hancock Center. Roads are clearly designated as through routes, main and secondary roads, and one way streets. An additional map covers North Chicago, from Graceland Cemetery to the downtown area. The map's travel guide gives background information about the city as well as descriptions of popular points of interest in Downtown Chicago, North Chicago and the suburbs. Diagrams of O'Hare and Midway Airports, a comprehensive map of the Chicago Transit Authority and an overview of the public transit system in the city, will help you navigate the area efficiently. Find you destination quickly, using the user friendly index of streets, districts, parks, hotels, public transit stations, buildings, theaters and other points of interest. This unique combination of a road map and travel guide makes this an essential travel companion for all visitors to the Windy City. Every Destination Map is printed on durable synthetic paper, making them waterproof, tear-resistant and tough capable of withstanding the rigors of any kind of travel.Map Scale = 1:9,000Sheet Size = 17.75" x 24.75"Folded Size = 4" x 8.75"
