Henry Wansbrough : Children's Atlas of the Bible: A Photographic Account of the Journeys in the Bible from Abraham to St. Paul before purchasing it in order to gage whether or not it would be worth my time, and all praised Children's Atlas of the Bible: A Photographic Account of the Journeys in the Bible from Abraham to St. Paul:

This vivid evocation of biblical times uses maps and full-color photographic recreations to retell stories from both the Old and the New Testaments. Children can read the text and study the maps to gain understanding of the escape of the Hebrews from Egypt, the conquests of the Chosen People by ancient neighboring empires, important sites relating to

the life of Jesus, and the spread of Christianity throughout the Mediterranean in the time of St.
