The price was excellent since we look around so I recommended.1 of 5 people found the following review helpful. Excellent details but difficult to useBy JulieThis map has excellent details. However, because Chile is a very long, narrow country the map is broken into sections and moving from one section to another is confusing.

Double sided road and travel map printed on synthetic paper, waterproof and durable in tropical conditions. Scale 1:3,000,000. Distinguishes roads ranging from divided highways to seasonal tracks. Legend includes railways, glaciers, international/national airports, landing strips, points of interest, police control, border crossings/customs posts, national parks, do not light fires, mines, light houses, shopping centres, museums, beaches, fortresses of interest, churches, springs, ski areas, campsites, archaeological sites, fishing, surfing, active volcanoes. Extensive index.
