From Turismo y Comunicaciones S.A. : Chile, A Remote Corner on Earth: Travel Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Chile, A Remote Corner on Earth: Travel Guide:

First Edition May 1992; softcover, 712 pages; very minor shelf wear; light browning from age; upper and lower cover corners have small crease; no internal markings. I bought for a trip and never taken. Sat on shelf. Overall, quite nice! Please ask if you have questions.
