Andrew O'Grady : Chile: Arica Desert to Tiorra Del Fuego before purchasing it in order to gage whether or not it would be worth my time, and all praised Chile: Arica Desert to Tiorra Del Fuego:

The information in this guide was collected by members of the RCC, Ocean Cruising Club and other yachtsmen. It covers the coasts from Arica in the desert in the north to the glacial fjords of Cape Horn in the south. Offering detailed sailing directions for almost all the important harbors and anchorages, many of which are documented here for the first time. The detailed text is supported by sketch plans and color plates.

About the AuthorThe RCC Pilotage Foundation was incorporated as a company limited by guarantee in 2005 and is a registered charity. It is run by volunteer members of the RCC. The Foundation publishes pilotage information through books and a range of media accessible via its own website RCCpf.org.uk Creation of new RCC Pilotage Foundation publications and updates to existing publications are only made possible through the supply of information from around the world by generous-minded yachtsmen and women, and the dedicated work of authors and editors.
