**From Brand: Insight Guides : Chile Easter Island (Insight Guides)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Chile Easter Island (Insight Guides):

This brand new edition Insight Guide to Chile and Easter Island features a wealth of inspiring full-colour photography, including outstanding double page spreads. The top ten sights are identified to show you the very best of Chile and Easter Island and to help you plan your trip priorities, whether that be exploring the Torres del Paine National Park at

the southern tip of the Andes, or the hundreds of Moai statues that cover Easter Island. A brand new 'Editor's Choice' section reveals the local author's selection of the most unique experiences Chile has to offer. An in-depth 'Places' section covers the entire country, region by region, with all the principal sites cross-referenced by number to accompanying full-colour maps throughout the guide. Additional maps inside the front and back covers enable instant orientation and easy navigation at a glance. Attractive colour-coded sections contain fascinating features that explore Chile's history and culture from before the Spanish colonisation to the present day. A comprehensive 'Travel Tips' section provides essential practical information, covering transport, accommodation and activities from shopping to sports. The A-Z of practical information contains advice on budgeting, health and safety, visas and passports, as well as specialist advice for women travellers.
