AutoMapa : Chile Road Map (Spanish Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Chile Road Map (Spanish Edition):

Road map in color of Chile and significant portions of Argentina. Includes inset map of routes into Santiago. Shows seven different kinds of roads from numbered highways to dirt roads; distances in kilometers. Also shows cities, towns, and other settlements, national parks, airports and landing strips, places of interest, tollgates, regional and national boundaries, and customs checkpoints. Printed on one side. Mainly in Spanish, map legend is bilingual with English.

About the AuthorAutoMapa, a well-respected publisher of maps in Argentina, is also a best-known brand of maps of the country distributed abroad. Their city, province, and region maps are easy to read and very popular; a fine example of mapping as a universal language. Each map in the series is updated every two years.
