Origo : Chilean Wine Map, 2009 before purchasing it in order to gage whether or not it would be worth my time, and all praised Chilean Wine Map, 2009:

The most accurate and current Chilean wine map on the market. Discover Chile's entire wine country in this richly

detailed, and precise map. Includes information on the geography, geology, climate, grape varieties, wine production, history and culture of the vibrant Chilean wine industry. This beautiful map comes packed in a 6x9 pastic carry case.
