Daniel Joelson : Chilenismos-English/English-Chilenismos Dictionary Phrasebook (Hippocrene Dictionary Phrasebooks) before purchasing it in order to gage whether or not it would be worth my time, and all praised Chilenismos-English/English-Chilenismos Dictionary Phrasebook (Hippocrene Dictionary Phrasebooks):

0 of 0 people found the following review helpful. fun chilenismos By dlwinskifunny gift for friend moving to chile. she loved it. 5 of 6 people found the following review helpful. A necessity if you are trying to integrate. By Carissa Brooks So, when I moved to Chile to teach I was told that the slang down there made it difficult to follow their Spanish- I'm sorry, Chilean. My advice: if you're headed down there for any extended period of time or even just to start conversations with Chileans, learn a few of these Chilenismos. Chileans love when you throw words like cachai around. I had this in my kindle everywhere I went and I slowly began to learn what the heck everyone was saying. Overall, this book was very bakan! 13 of 15 people found the following review helpful. Brilliant! By Heidi We just took a trip to Chile last month and bought this book off and were SO glad to have it with us. We used it to learn "Chilean" spanish and it was very helpful. The phrases in the book are quite accurate, according to the locals, and they were surprised to see some of their everyday phrases in the book. I highly recommend it if you're going to visit or live in Chile and you need a jump start on their dialect of the language.

Chile is known for having created an enormous amount of distinct words and expressions. Consequently, the Spanish spoken in Chile is frequently indiscernible to gringos and native Spanish speakers alike. This dictionary and phrasebook collects over 1,500 of these terms and idioms, known as "Chilenismos," and expresses them in simple English. The book also explores the roots of Chilenismos and explains the grammatical constructions and idiosyncratic speech patterns particular to Chileans. This is an ideal guide for tourists, businesspeople, and anyone who plans to spend time in Chile.
