0 of 0 people found the following review helpful. it's a great planning book if you are interested in visiting ChinaBy JessicaLately traveling in China is becoming more and more popular and I hope that I will visit this mystical country. But China is so big and not sure where to start. Overall, it's a great planning book if you are interested in visiting China, or just dreaming about it.1 of 1 people found the following review helpful. Practical guide for your trip!By Jade N.I honestly did not realize as to how much China had to offer for people living there or for the tourist who is there just to visit. This is a detailed guide for anyone traveling to China. It covers different destinations and areas of the country, and you'll find what you need in this book to have a happy trip. This is a delightful book to read about the coolest things to do while in China.0 of 0 people found the following review helpful. Excellent book!!!By Tumpa ABDGreat book.I like this book.Learn to read this book.The best shopping so that you can take a little piece of China back home with you, whether thats in the form of some incredible Chinese porcelain or ingredients for cooking your own yummy Chinese dishes.The coolest historical and cultural sights that you simply cannot afford to miss from ancient Buddhist temples through to caves with ancient art work.And so much more.
