**Linda Raymond : China Travel Guide: 25 Places to See In China on a Tight Budget (travel to china, travel china, china travel book)** before purchasing it in order to gage whether or not it would be worth my time, and all praised China Travel Guide: 25 Places to See In China on a Tight Budget (travel to china, travel china, china travel

book):

This extremely informative China Travel Guide presents you with more than a meager synopsis of the attractions in this exciting and picturesque country. It delineates the particulars about sites that will appeal to your every taste be it the nightlife, theater, amusement rides, or more participatory dancing opportunities for you and your friends. In addition, places to enjoy Chinese acrobatics, Tai chi, nature excursions, Chinese cuisine, ancient art, and Chinese history are discussed. Included are segments on Beijing in the north, Xian in the northwest, Guilin in the southwest, Yangzhou on the river, and the water towns. Before you set out on your real-life journey, you will be vicariously invigorated ahead of time with the fast-paced excitement of Shanghai and Hong Kong, as well as the fun-filled experiences in Macau, Taipa, and Coloane. Travel tips in China are provided, and they focus on offering you a wondrous vacation experience on a tight budget. You may like to use this book for further visits because it is comprehensive and you may not be able to cover all these fantastic sites on your first visit. Many tourists return to China.
