You can get information from the internet faster. If you are considering Florida, this is a great time to buy. If you're looking for a quality, inexpensive retirement community (55 and older), check out Kings Point.6 of 18 people found the following review helpful. Learn about rampant elder abuse and fraud in Florida!By I am you only differentFlorida is not so beautiful if you're abused and bilked. Get the real truth about the fraud and abuse of the elderly and not so elderly and read "Retirement Nightmare" by Diane Armstrong. To avoid a guardianship in the State of Florida, and other states, should be of paramount importance. Find out how to protect yourself and your loved ones with alternatives: health care surrogate, durable power of attorney, mediation and more. Consider that if you leave your parents to fend for themselves, and ignore the deterioration associated with aging, a guardian can gain a guardianship over them and their assets, without informing you. That guardianship will nullify the most meticulous of plans. To really cover your aging parents, make sure they create a "Pre-need" guardianship and name someone they trust, this is the only way predators in the retirement homes will not be able to force guardianship on them. Also create an irrevocable trust.

Retirement can be a time of growth, or adventure, or complete and utter relaxation. Where you spend your retirement years, no matter how you may define them, has to be a place that fulfills your desires and meets your changing needs. Choose Florida covers many communities that are ideal for retirees of every stripe. Descriptions of scenic, vibrant places, as well as essential information about the resources and activities available in these areas, allow you to make an informed decision about selecting Florida as your ideal location to enjoy an affordable, active, and safe retirement. This guide includes information about real estate, recreation and culture, medical care, activities for visiting grandchildren, weather statistics and much, much more.
