Bil Howard : Chulos, Chuzos and Hot Dog Condoms: Surviving as a Gringo in Medellin, Colombia before purchasing it in order to gage whether or not it would be worth my time, and all praised Chulos, Chuzos and Hot Dog Condoms: Surviving as a Gringo in Medellin, Colombia:

Do you really know Medellin, Colombia? You'll discover that it is nothing like it used to be. In the 1980s and 1990s it was an extremely dangerous place to be. Since the beginning of the 21st Century, however, the development and renewal of this spectacular city in the Andes has changed it dramatically. Steeped in the rich traditions of the Antioqueos, Medellin and the surrounding pueblos of Antioquia make this city tucked away in the Andes a virtual paradise. Explore some of the culture, language and natural beauty of Medellin as the author recounts his experience as a gringo among Paisas.

About the Author Bil Howard is a native of the Rocky Mountains of Colorado where he was raised on a cattle ranch. He has a BA from West Texas AM University. He studied pre-law as an undergraduate and minored in English Literature. He continued his love of English by pursuing an MA in English and Social Studies Education. He also studied psychotherapy at the graduate level. He has been a talent scout and manager in the Latin music industry. He has experience in vocal performance as well as theatre. He has ghost written more than 100 short stories and several novels for various authors and on various subjects. He is currently living in Medellin, Colombia where he continues to write and to teach English.
