A perfect balance of pictures and detailed description about the architecture and design. On page 192, the Gladney Center for Adoption is featured and is conveyed spectacular! However, the layout of the building is much more impressive in person. To get more information about Gladney Adoption center check out: [...]

A pictorial showcase of the city's leading commercial structures and the phenomenal architects who brought them to life, this artistic history contains outstanding photography of one of the leading cities in the United States. The different firms represented in this book offer insight into the diversity and progression of Dallas's architecture by featuring their work and discussing their influences. A beautiful presentation of this southern city, this breathtaking chronicle will delight lovers of architecture, travel, and Texas.
