Max Leonard, Andrew Edwards : City Cycling: Barcelona before purchasing it in order to gauge whether or not it would be worth my time, and all praised City Cycling: Barcelona:

And the quality of the paper and printing is poor so the resolution is even worse than the size. We still had fun cycling in Barcelona.

The eight guides in the City Cycling Europe series are each devoted to a different city: London, Amsterdam,

Copenhagen, Antwerp/Ghent, Berlin, Paris, Barcelona and Milan. Each compact volume features cycle-friendly neighbourhoods, itineraries, cycle maps and places to visit where cyclists are always welcome. Aimed primarily at those looking to take casual weekend breaks, there is also information for hardcore racing enthusiasts and special routes for those wishing to escape the traffic. Initially, all eight volumes will be released as a special edition boxed set.
