If you really want to bike around Paris you are better off in the Bois de Boulogne or better yet ...By PittsburghmomIt's interesting but after biking in Paris on the streets for a day we gave it up. The eight guides in the City Cycling Europe series are each devoted to a different city: London, Amsterdam, Copenhagen, Antwerp/Ghent, Berlin, Paris, Barcelona and Milan. Each compact volume features cycle-friendly neighbourhoods, itineraries, cycle maps and places to visit where cyclists are always welcome. Aimed primarily at those looking to take casual weekend breaks, there is also information for hardcore racing enthusiasts and special routes for those wishing to escape the traffic. Initially, all eight volumes will be released as a special edition boxed set.
