This is a "must" for any parent or grandparent living in New York. Even though I brought up my children in the city so much has changed over the past 30 years. The city has become much more "kid friendly" and this book is imaginative, informational and right on. Anything I picked was worth doing. One activity in particular which I would have missed (had it not been pointed out) was the movie at the Central Park Zoo - definitely worth the detour!I ended up buying the whole series.2 of 3 people found the following review helpful. Wonderful find!By ArleneI'm so excited to put this guide to use. The design is clean, attractive and easy to read. I appreciate how current all the information is. The chapters cover all the typical questions and concerns of a New York City parent.1 of 1 people found the following review helpful. Up-to-Date,

Comprehensive NYC Parenting Guidebook By Emily Glickman Unlike many other New York City guidebooks I've read, which are outdated and limited, Alison Lowenstein's *City Kid New York* includes up-to-the-minute, comprehensive listings of parenting websites, enrichment activities, camps, theater and concert performances, museums, and lice checkers, among other vital subjects. One very interesting and unique section covers books, comics, literary landmarks, and book festivals. *City Kid New York* is a very useful resource for natives and relocating families alike. I'm already set to act on some of the author's recommendations.

The ultimate guide for New York City moms, with the best kid activities, savvy advice, and family-friendly resources. *City Baby* has been the essential go-to guide for New York City parents from pregnancy to preschool for more than ten years. *City Kid* follows suit with indispensable advice and resources for raising a tot, ages 4 through 12, in the Big Apple. Alison Lowenstein, a native New Yorker, author, and mom fills us in on all of the best resources for urban parents. *City Kid New York* covers diverse and essential kid topics such as after-school activities; fun family dining and entertainment options throughout the five boroughs; local weekend excursions for families; tips on throwing birthday parties for all ages; and where to get the best toys, clothes, books, and more in the shopping capital of the world. From fishing through the Go Fish program in Battery Park to performing stand-up at Gotham Comedy Club, the city is not just for adults anymore. Also included are community service projects for kids, DIY tips for setting up kid bedrooms in those tiny New York apartments, and kid-centric tours of museums, sports arenas, and gardens. *City Kid New York* breaks down all the city has to offer by subject, and features a *City Kid Yellow Pages* of excellent web resources and helpful organizations to prepare your child for all the big city has to offer.

"For travelers to the city, Alison Lowenstein's *City Kid New York* (Rizzoli) offers everything from recommendations for activities and restaurants to advice on throwing birthday parties and shopping for kids." ~Newsday "Lowenstein dishes up the kind of advice an indispensable mom-friend would share" ~StrollerTraffic.com "City Kid New York is the latest must-have resource for city parents" ~New York Family "Lowenstein tackles the entire city finding unique experiences for families... *City Kid New York* will prove to be an indispensable guide filled with information. ~Brooklyn Graphic "Five favorite spots where the crowds aren't dizzying and little ones are welcomed... Tour Little Airplane Productions at South Street Seaport... Have your pancakes with a side of tricks at the Magic Brunch Cercle Rouge... Roam the trails in and around Staten Island's Greenbelt... Get into the swing of things at the New York Circus Arts Academy... How sweet it is at Dewey's Candy in Dumbo..." ~Daily Candy Kids
