Waste of money!0 of 0 people found the following review helpful. Five StarsBy neilAs advertised.3 of 3 people found the following review helpful. How else can you fold the Nation's Capital?!By EvinThough not all the small details and streets are noted on this laminated folding map, I find it very useful to keep in my glove compartment or purse. You never know when you might need to find a different route or find your destination so the size and durability of this map makes it ideal for keeping on-hand. The National Mall is present which makes it ideal for tourists and residents alike.
