Michael Weeks : Civil War Road Trip, Volume II: A Guide to Virginia Maryland, 1863-1865 (Vol. 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised Civil War Road Trip, Volume II: A Guide to Virginia Maryland, 1863-1865 (Vol. 2):

1 of 1 people found the following review helpful. Great ReferenceBy ConsumerThese two volumes of the Road Trip are very handy references if you have the opportunity to visit civil War sites. The author tells you what you are

looking at when viewing the ground in today's setting. That will be extremely helpful as we visit what sites we can in these anniversary years of the events. I have use for both volumes as the first trip we'll take involves the Western theater from New Orleans to Memphis and then next year the Eastern theater in Virginia. The concise descriptions of history give you a quick reference and will lay the foundation for more in depth reading if you so choose.2 of 2 people found the following review helpful. Great second volumeBy MEnnis0852This volume continues the civil war in the Mid-Atlantic after Gettysburg. Covers in detail what happened between Gettysburg and the Wilderness that most books skip. The detail for each battle is greater than the first issue of Civil War Road Trip and the descriptions are updated. More pictures at the locations that he leads you to.2 of 2 people found the following review helpful. Civil War Road Trip Volume 2By CustomerBob MacoubrieThis is the companion for Civil War Road Trip Volume 1 and the Complete Civil War Civil War Road Trip Guide. All three are excellent books for finding places to see and things to do about the Civil War.

In this second volume of Michael Weeks thoroughly researched guide to the battlefields of the Civil War, you will find complete tours of every major military campaign in the region from 1863 to 1865. In this second volume of Michael Weeks' thoroughly researched guide to the battlefields of the Civil War, you will find complete tours of every major military campaign in the region from 1863 to 1865, from the battles immediately following the great clash at Gettysburg to the fall of Richmond and the Appomattox campaign. Detailed directions and maps, along with a detailed history of each campaign, will guide you to and through some of the war's most critical battlegrounds, including The Wilderness, Spotsylvania, Cold Harbor, Petersburg, Lynchburg and the battle for Richmond. A section devoted to commands and commanders tells the life stories of the famous and the little-known; an explanation of military structure, orders of battle, and the various military units helps you keep track of the course of events and the key players. Travel tips and further sources of information are also included to help your explorations run smoothly.

About the AuthorMichael Weeks is an amateur historian with a passion for the road. He has driven tens of thousands of miles across America in order to experience first-hand the amazing stories and experiences that U.S. history has to offer. Michael lives in the South Loop area of Chicago, Illinois with his wife, Charlotte, and works as an occupational health and safety consultant. He is a graduate of Purdue University. His books include The Complete Civil War Road Trip Guide and Civil War Road Trip: A Guide to Northern Virginia, Maryland Pennsylvania.
