1 of 1 people found the following review helpful. Out of print By Joshua Brainerd There is a new book that IS in print by Paul Nick titled "Climb High Rocks State Park". I was able to find it on the internet by searching for the author. does not yet have it unfortunately. It is similar to this one. 6 of 6 people found the following review helpful. Great, but

not all inclusiveBy Greg (gregoryk@wharton.upenn.eduThis is a decent review of Ralph Stover as a climbing area. It covers all the standard climbs with decent information on the area and it's pretty easy to find the routes. However, there are areas not covered in the book (to the East and towards the river).

Here are descriptions for the nearly 200 routes at this eastern Pennsylvania climbing area.
