**Bob Value : Classic Rock Climbs No. 26 McConnell's Mill State Park, Pennsylvania (Classic Rock Climbs Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Classic Rock Climbs No. 26 McConnell's Mill State Park, Pennsylvania (Classic Rock Climbs Series):

1 of 1 people found the following review helpful. Good book, highly recommendedBy jmechBob Value's guide book for McConnell's Mill offers a great history of the Mills and enough detail for most people to find their way around. Book lacks more pictures of boulders which would allow an easier way to find your place but overall a good book for anyone looking to climb there.

In this first ever comprehensive guide to the Mill, Bob Value describes both classic routes and lesser-known treasures to this popular climbing area in western Pennsylvania.

From the Back CoverMcConnell's Mill State Park is the most popular climbing area in western Pennsylvania. In this first ever comprehensive guide to the Mill, Bob Value describes both classic routes and lesser-known treasures.
