Earthbound Sports : Climber's Guide to North Carolina before purchasing it in order to gage whether or not it would be worth my time, and all praised Climber's Guide to North Carolina:

0 of 0 people found the following review helpful. The OG, still the best.By AlexMust have for NC climbers. It's old, but its the best and most comprehensive guide for NC climbing. More beta as far as what rack to bring would be nice, but it has hand-sketched maps that are impressively accurate and aerial photographs. Book is in black and white. My copy was in great condition .0 of 1 people found the following review helpful. Great Seller!By kkThe seller of this

product was extremely helpful and understanding! I needed this guide for a climbing trip a week from when it was purchased. She put it directly in the mail AND emailed me her favorite climbing spots in N.C. I would buy from her again. 0 of 2 people found the following review helpful. I Would suggest Any Book Seller's, Learn from this Seller! It was done a Professional as it gets!!! I HIGHLY RECOMMEND SELLER!!!By Jason BlevinsGot from Gary7971 ... I got the book fast...It was a Professional Packaging Job!!! It couldn't get better...came in hard cardboard box (right size for book fit) and was wrapped in bubble wrap!!! Once I look at the book I was Amazed!!! He Gave every little detail of book and condition, it was in...but, when he described it , he was honest...but, it was in WAY BETTER CONDITION, than Described !!! There was No Doubt he told every Detail and made SURE you where Surprised, That each Detail about books condition, was NOT NEAR A BAD As Described!!!! I LOVED, the time, Detailed Descriptions, Answer Question- Quickly, Fully and Honesty, Took the Time and Effort to Do Every Aspect of Selling the Book and Shipping it with The Safest and BEST way!!!! I Wish there was 10 Star...cause he Earned it...and when Buy again(if he doesn't have it)!!! I can only HOPE OTHER SELLER'S, will DO the Same things HE Did and What is listed above!!! That's what Sell's Book's, Doing it Right, Being Honest, Give AS MUCH Details..and overstate than rather than Understate them, Ship With Better Care than you would Want a book shipped to you(Safest Way to Protect Book/Products!!!!!! I WANT this To be Spread ALL Across , so we all Can get, even Better than what we Expect!!! Please, Forward, to ANY/ALL Buy's so Seller's will get more Business and Buyer's are Supprise to Get More what they are Expecting!!! Honesty, Care and Better than Expected will Equal= More Buyer's and More Sells For Seller's!!!!!! If I cold I would give him 10 out of 5 Stars!!! This sets the Bar!!! Thanks So Much!!! I hope this catch's on to Seller's! Jason
