Joe Kelsey : Climbing and Hiking in the Wind River Mountains (Climbing Mountains Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Climbing and Hiking in the Wind River Mountains (Climbing Mountains Series):

2 of 2 people found the following review helpful. Very informative readBy FanThe book had good description about various types of outdoor activities in the Wind River Range, and for those that need additional data, it covers general

info. topics in an adequate level of detail. Overall, a recommended read for anyone planning a trip to the area. 0 of 0 people found the following review helpful. Excellent book! By Bill Excellent book, and definitive for this region. I'm especially pleased that the author was able to correct an error about a "Wolf's Head" climb that had slipped into the second edition. 0 of 0 people found the following review helpful. Five Stars By Customer Great book with a lot of explanations and informations
