Older; missing some secrets; but still a great map.By Kyle HotchkissClinch river is pretty much the middle of nowhere so I'm not surprised this map is a little more aged than the other mountain maps for nearby areas. There are some really neat things this map is missing, an exercise I leave to the viewer to find. Get this map, enjoy the beautiful Clinch river, and explore those trails! This map will help you get started.

Waterproof Tear-Resistant Topographic MapNational Geographic's Trails Illustrated map of Clinch Ranger District covers the southernmost section of Jefferson National Forest that straddles the Virginia-Kentucky border and neighboring recreation areas. Created in cooperation with the U.S. Forest Service and others, this expertly researched map is a comprehensive adventure guide to the area for experienced and novice enthusiasts alike. With an abundance of possible recreational opportunities, activity and trail guides will help you select an area to explore, according to your experience and interests. The activity guide highlights available facilities and recreation activities in various areas within the National Forest, Breaks Interstate Park, Kingdom Come State Park, Natural Bridge State Park and John W. Flannagan Reservoir. Trails in the trail guide are listed with their mileage, difficulty and suitable use, either hiking, mountain biking, equestrian, shared-use, or 4x4 vehicle. Trails are mapped with mileage markers between intersections. To aid in your navigation, the shaded relief map displays contour lines, elevations, water features and a complete road network of the area including the Country Music Highway and various state scenic byways. Other recreation features pinpointed include campgrounds, RV campgrounds and dump stations, picnic areas and shelters, boat ramps and swimming areas, fishing holes, waterfalls, waterfalls and scenic viewpoints. Every Trails Illustrated map is printed on "Backcountry Tough" waterproof, tear-resistant paper. A full UTM grid is printed on the map to aid with GPS navigation. Other features found on this map include: Big Moccasin Creek, Black Mountain, Copper Ridge, Jefferson National Forest, Little Black Mountain, Moccasin Ridge, Pound River, Stone Mountain, Wallen Ridge. Map Scale = 1:75,000 Sheet Size = 37.75" x 25.5" Folded Size = 4.25" x 9.25"
