Kurt B. Detwiler : Coasting Along: A Bicycling Guide to New Jersey Shore, Pine Barrens and Delaware Bay Region before purchasing it in order to gage whether or not it would be worth my time, and all praised Coasting Along: A Bicycling Guide to New Jersey Shore, Pine Barrens and Delaware Bay Region:

3 of 3 people found the following review helpful. In memory of Kurt DetwilerBy William R. LeConeyThe author of this book, Kurt B. Detwiler, recently passed away. He was a great friend, an amazing and knowledgeable bicycling enthusiast, and a very fine writer. To anyone with an interest in exploring by bike the back roads, history and natural beauty of the Pine Barrens and southern New Jersey coasts, I highly recommend this book. (He wrote two other bicycling books also available on).Bike on, Kurt, your words will live forever.

Fifty rides take you over barrier islands, through pygmy forests, past farms, and within sight of the millions of birds that travel New Jersey's section of the Atlantic flyway. There are routes for all levels of cyclists, plus local highlights, detailed maps, a calendar of events, and locations of food stores and bike shops.
