**Graham W. Rowley : Cold Comfort: My Love Affair with the Arctic (McGill-Queen's Native and Northern Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cold Comfort: My Love Affair with the Arctic (McGill-Queen's Native and Northern Series):

3 of 4 people found the following review helpful. Let's go north!By Katharina DubachRowley's fresh and colloquial style of narrative makes you feel at home in the arctic. While you read you can feel the cold wind in your face, you

hear the dogs breathing and the ice cracking and you smell the fresh winter air. You start longing for the moment when you can meet all those friendly Inuit. And when you finally get to the arctic you will see that not much has changed.

An engaging reminiscence of the end of an era in arctic exploration.

"Rowley is a superb storyteller and his writing a joy to read." About the Author Graham W. Rowley (1912-2003) was a research professor of northern and Native studies at Carleton University, Ottawa.
