Five Stars By Nk Niece loved this

This highly illustrated pictorial map is designed to take children on a journey of discovery around the countries of the world. The mapping is clear, colorful, and highly informative, and shows countries and capital cities. Stunning illustrations are used to depict themes such as national emblems, customs, food, birds, animals, buildings, and sports to help younger readers gain an understanding of peoples around the world.

About the Author Steve has many years professional experience of collaborative practice with the major educational publishers, editors, in-house designers and authors. His creative practice includes illustration, logo design, cover design and full series design including online resource. His primary passion is for children's illustration and this is demonstrated in his creation of the new Collins Picture Atlas alongside the accompanying World Map and, more recently, the map of the United Kingdom Ireland.
