Collins UK : Collins Latin American Spanish Phrasebook: The Right Word in Your Pocket (Collins Gem)

before purchasing it in order to gage whether or not it would be worth my time, and all praised Collins Latin American Spanish Phrasebook: The Right Word in Your Pocket (Collins Gem):

0 of 0 people found the following review helpful. so-soBy Susan L MillerHelpful to read through, but not when actually trying to converse. Compact size, but words I was looking to identify weren't there, and the print was rather

small. Think I will go with a phone app next time.3 of 3 people found the following review helpful. Latin American Spanish PhrasebookBy Spider Monkey`Collins Latin American Spanish Phrasebook' is a neat, pocket sized and comprehensive phrasebook to aid you with your travel communications. It has over 70 topics that are arranged thematically and cover such things as talking to people, getting around, driving, staying somewhere, shopping, leisure, communications, rusticities, health, different types of travellers (disabled or with kids etc), reference, eating out, a menu reader and a section on Latin American countries, grammar and a 3000 word dictionary. Not bad at all for such a small package. It also starts with a couple of pages with some tips about travelling in Latin American countries in general. Each chapter is colour coded and the layout is clear and easy to access. It may not be as attractive as other phrasebooks out there (the BBC series still wins hands down for me) but it offers a great deal of language, at an excellent price. If you are looking for a holiday phrasebook I'd highly recommend you consider this book, it has everything you could need in an attractive little package.Feel free to check out my blog which can be found on my profile page.

In all of the most common travel situations, non-natives need the reassurance that they can communicate with ease. A reliable, portable, and easy-to-use phrasebook is a travel essential, and the completely re-designed Collins Gems assures you that the right word will always be at your fingertips. With a whole new look inside and out that includes a new cover and easy-to-navigate layout, it is now simpler than ever to use a new language effectively and with confidence. This indispensable language guide covers the topics and phrases that crop up everyday on vacation, from finding a hotel to choosing wine. With the inclusion of fully updated travel information and tips, a 3,000 word dictionary, a comprehensive menu decoder, grammar and pronunciation sections, you need never be lost for words again.
