**Collins Maps : Collins Pocket Map Ireland** before purchasing it in order to gage whether or not it would be worth my time, and all praised Collins Pocket Map Ireland:

3 of 3 people found the following review helpful. Great map By J. Ware Perfect size and just what we were hoping for as we plan out our trip to Ireland. Functional yet seems like it will be easy to travel with. 2 of 2 people found the following review helpful. Three Stars By cj Good map but not as detailed as I thought. It will be useful. 0 of 0 people found the following review helpful. It's the perfect fit for any bag and will definitely come in ... By KML Heading to

Ireland in a few weeks and will be bring this map with me! It's the perfect fit for any bag and will definitely come in handy when I don't have available wifi!

A double-side map showing all of Ireland This handy little full color map of Ireland is double-sided with the south of Ireland up to and including Dublin on one side and from Dublin northwards on the reverse. It is ideal for a pocket, bag, purse, or glove compartment. The scale is 7.5 miles to 1 inch, and it includes all the latest road changes, places of interest, ferry routes, speed enforcement zones, and safety camera locations.

About the Author Collins Maps allow you to explore the world through accurate and up-to-date mapping created by Collins UK, a leading information-led publisher of illustrated and narrative non-fiction.
