Collins UK : Collins Polish Phrasebook: The Right Word in Your Pocket (Collins Gem) before purchasing it in order to gage whether or not it would be worth my time, and all praised Collins Polish Phrasebook: The Right Word in Your Pocket (Collins Gem):

3 of 3 people found the following review helpful. Simple yet EffectiveBy DrBrwn510So I've tried some of the more expensive language programs, including the most popular and recognized ones, and they did not help with day to day conversations. However, Collins Phasebook has been extremely helpful because it provides words and phases that can

be put to use right away. My favorite part of this pack is the CD. I ripped it to my phone and now I have access to a native Polish speaker wherever I go. And that proves to be the most helpful. Previously, the hardest part was being able to pronounce the words properly. But now I can access all of the important phrase with the touch of a button on my phone. Even if I did not rip the CD to my phone, the Phrasebook is small enough to fit in my pocket. All in all it is a good buy, especially for the price, and I am happy with my purchase.0 of 0 people found the following review helpful. This Doesn't Sound Like Polish to MeBy MrBobI looked forward to a guide to help me with my Polish language pronunciation.The reader's words sound as if her mouth was full of Polish sausage. She murders a beautiful language.The unusable audio turned me off to the entire phrasebook.0 of 0 people found the following review helpful. Handy Little BookBy Raymond BialI am working my way through this excellent book, along with First Polish Reader and both are very helpful in learning the language of my grandparents. Both books will be useful and fun for anyone planning to visit Poland or simply learn more about this remarkable country and its people.

In all of the most common travel situations, non-natives need the reassurance that they can communicate with ease. A reliable, portable, and easy-to-use phrasebook is a travel essential, and the completely re-designed Collins Gems assures you that the right word will always be at your fingertips. With a whole new look inside and out that includes a new cover and easy-to-navigate layout, it is now simpler than ever to use a new language effectively and with confidence. This indispensable language guide covers the topics and phrases that crop up everyday on vacation, from finding a hotel to choosing wine. With the inclusion of fully updated travel information and tips, a 3,000 word dictionary, a comprehensive menu decoder, grammar and pronunciation sections, you need never be lost for words again.
