This book is the second volume about Mexican Spanish and vocabulary following the first book, Quick Guide to Mexican Spanish. More than 450 new vocabulary words and phrases are added to this second Mexican Spanish slang phrasebook. Each term has been defined in English and synonyms are included when available. In addition, there are also more than 400 example sentences demonstrating how to use the words. It includes 46 black and white illustrations. With the QUICK GUIDE TO MORE MEXICAN SPANISH words like charro, guajolote, petaca, ap and caguama will no longer be a mystery! IS THIS BOOK FOR ME? This book contains words that are not appropriate for kids. If you are just starting to learn Spanish, this book is best used as a complementary reference source to any program or class designed to teach you Spanish. This book and the other books of the Speaking Latino series are not designed as stand-alone learning aids, to teach you Spanish. Instead, they expand your country-specific Spanish vocabulary. If you already speak Spanish, this book help you understand local Spanish from Mexico. Be sure to use the Amazon Look Inside function to see what this book will and will not teach.

About the AuthorABOUT JARED ROMNEY, AUTHOR OF THE QUICK GUIDE TO MORE MEXICAN SPANISH: Suffering a typical 9 to 5 existence, Jareds foray into lunch-hour Spanish shook up his mundane life. He quit his job, stopped by briefly to school, and then left his country...for 14 years. Early stumblings in real-world Spanish taught him that a "cola" isnt just a soft drink, "bicho" doesnt always mean a bug, and "boludo" may be heartfelt or middle-finger felt. Nine countries, three business start-ups, two bestsellers and a Puerto Rican wife later, he is still confounded by how many Spanish words exist for panties. His quest is to discover all those words with his website [www.SpeakingLatino.com](http://www.SpeakingLatino.com). In between, he meanders the Earth, dabbles in languages, drinks wine and sells shampoo.
