**Karen Murray : Quincy Valley (Images of America)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Quincy Valley (Images of America):

0 of 0 people found the following review helpful. Well done! By Eddie Johns I've searched everywhere for books that are focused on Quincy wa and the Quincy valley and finally I found one. This book is perfect for anyone interested in this great community and it's history. Lots of early photos and insights as to how Quincy became what it is today. Buy this book. 0 of 0 people found the following review helpful. Quincy Washington grows up. By The Old Timer This book

has many photos of Quincy, Washington from early settlement to today. Very well done and would be of great interest to go with Faye Morrise's two books on the Quincy area. (They Claimed a Desert and The Birth of a Town) Sorry, both are out of print. 1 of 1 people found the following review helpful. ExcellentBy Mary Ruth EdwardsExcellently written and well put-together history that captures the true character of the people and places of the Quincy Valley in Washinton!

The Quincy Valley is a unique place with a distinct environment. In the beginning, not even the local Columbia River tribes could find a use for the sagebrush desert, home to jackrabbits, coyotes, and rattlesnakes, but by 1910, immigrants from more than 20 nations called it home. Today the technology of the 21st century knocks on its door. From the early days of dry-land farming, to the abundant orchards and crops nourished by the Grand Coulee Dam, to the data-server farms of major Internet companies, the Quincy Valley provides food and information to the entire world. It is a community of people whose faith, families, and farms have provided physical sustenance and prosperity to its descendants. Their influence extends far and wide as they have spread across the world, serving in both military and civilian careers.

About the AuthorLocal writer Karen Murray was transplanted to Quincy in 1996. She relied on the archives of the Quincy Valley Historical Society, the Quincy Valley Post Register, and private collections to compile this pictorial history of the people, places, and events that have shaped the Quincy Valley.
