Quito 1:12,500 Street Map Ecuador North 1:660,000 Regional Map ITMB This is a double-sided map. On one side, it features a street plan of Quito with a street index, and an inset map showing Quito's environs highlighting highways and train lines into the city. The reverse shows a map of northern Ecuador (from Guayaquil to Colombia) including an index of places; topography is shown using altitude shading with some spot heights. Handily placed on the back cover of the map is a diagram of Quito's bus network (Metrobus-Q - Sistema Integrado de Transporte Pblico de Quito). The map is printed on regular paper.
