Kate Messner : Race to the South Pole (Ranger in Time #4) before purchasing it in order to gage whether or not it would be worth my time, and all praised Race to the South Pole (Ranger in Time #4):

Ranger, the time-traveling golden retriever with search-and-rescue training, joins an early twentieth-century expedition journeying from New Zealand to Antarctica. He befriends Jack Nin, the stowaway turned cabin boy of Captain Robert Falcon Scott's ship. They're racing against a rival explorer to reach the South Pole, but with unstable ice, killer whales,

and raging blizzards, the journey turns into a race against time... and a struggle to stay alive.
