John had ridden with Team Skunk years ago and paid us a visit after working on the Karras loop one day. John is a great story teller and used his talent to tell the story of the 45 year

history of RAGBRAI.1 of 1 people found the following review helpful. Great bookBy KathleenThis book is great, a nice reminder of Iowa RAGBRAI in the middle of December. I enjoyed hearing the history and seeing the pictures, but I had actually never thought of pronouncing it the way the author suggests. It helps to love ragbrai! I knew about some but not all of the characters and the events. A lot of this info is on the ragbrai website for free under the history section.0 of 0 people found the following review helpful.
