Buyer Please Be Aware Please note that RailPass RailMap 2017 has been specifically designed with the Global RailPass holder in mind. **THIS IS NOT A COMPLETELY DEFINITIVE RAILWAY MAP.** Instead RailPass RailMap is all about enabling easy and quick reference navigation around the entire European railway network. The large square paperback format enables you to easily to locate (i.e. top tourist destinations), easy to understand (easy to identify train types), easy to pack away format (i.e. can be folded in half) and full colour durable quality paper plus long lasting laminated gloss cover and lots of page duplications to easily follow the network across the spreads (i.e. large printed folding maps quickly suffer from tearing). All the most popular tourist destination, cities and major towns on the network are highlights in large bold print. All the major network connections, scenic routes, intersections and junctions are easy to follow to enable you to quickly get to your chosen destinations. New for 2017 is major ferry crossings sailing info and Railpass discounts for UK, Ireland, Sweden, Denmark, Finland, Spain, Italy and Greece. Included: - Easy to understand Index with Country flag and back page index to RailMap pages - Detailed explanation of RailMap legend and what to look out for on RailMap. - Easily identified High speed routes (bright orange). E.g. TVG, Eurostar, Thalys which always require additional supplements - Main railway lines (seat reservation is usually required) - Majority of local lines (where no reservation is required) - Bright green highlighted and easy to identify scenic routes for the whole network so you can choose the most interesting and awesome routes - Bus routes (pink lines) where the train network is in repair or is seasonal etc. - Popular Ski resorts and summer hiking destinations - Ports and popular ferry routes including discounts that railpass attracts and sailing info etc - Train stations with shower facilities - National parks and areas of outstanding beauty - Sandy beaches and stunning coastlines - Mountain ranges and major inland lakes - Major Budget Airports (with accompanying airport codes) This is an indispensable railway travel guide designed by a experienced Interrailer with a passion for creating informative railway maps. RailPass RailMap is continually updated with new country specific editions planned for the summer of 2017. If you are thinking of interrailing then this is most definitely a Railway map which will enable you to get the very most of your RailPass plus its absolutely essential if you want to travel everywhere in Europe on the most awesome routes.
