From Rand McNally Company : Rand McNally 2007 Road Atlas Florida (Rand McNally Road Atlas) before purchasing it in order to gage whether or not it would be worth my time, and all praised Rand McNally 2007 Road Atlas Florida (Rand McNally Road Atlas):

0 of 0 people found the following review helpful. Five StarsBy D. HartWas slightly used but in great condition. Will really come in handy for travel.0 of 0 people found the following review helpful. somewhat disappointing.By JB in TNThis atlas was a bit disappointing as it was not so user friendly as it is difficult to follow with so much need to flip pages back and forth to find the route you want.5 of 5 people found the following review helpful. Great addition to your carBy Florida TransplantWe have lived in Florida for more than 25 years and in all that time exploring the Sunshine State this is the best map ever. It is very easy to use. We take it with us on our yearly spring training trip (all stadium addresses included). I like it better than our much more expensive GPS. Lots of great supplemental information in a concise form. The only problem is that our 35 year old daughter keeps borrowing it for her camping

trips and doesn't return it. Ha! Guess what she's getting for Christmas this year.
