From Brand: Rand McNally : Rand McNally 6th Edition New York City 5-Borough street guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Rand McNally 6th Edition New York City 5-Borough street guide:

1 of 2 people found the following review helpful. You just can't get lost anymore By A. Schouten This book covers not only the 5 boroughs but also large parts of Westchester Co. and NE New Jersey. Clear maps with disambiguating colors featuring all of NYC's streets. On-the-street navigation could be difficult because of the high amount of names and information on the maps so plan your trip. This guide will get you anywhere. If you still manage to get lost: you'll find every street in the directory.
