**From Rand McNally : Rand McNally Cosmopolitan World Atlas Centennial Edition 1856-1956 Rand McNally 100th Anniversary** before purchasing it in order to gage whether or not it would be worth my time, and all praised Rand McNally Cosmopolitan World Atlas Centennial Edition 1856-1956 Rand McNally 100th Anniversary:

0 of 0 people found the following review helpful. Ancient, but still handyBy Alyssa A. LappenOur 1976 edition of this classic atlas is obviously very much out of date. Probably dozens of nations have come and gone in the intervening 30 years since it was published.Still, it's very handy to have a large world atlas around the house, to check the precise locations of towns and cities still not listed on the Internet. You'd be surprised.
