Five StarsBy lindle g meadowsgood read2 of 2 people found the following review helpful. Small map lacks detailBy mark tombouliauPerhaps I should have looked at the dimensions, but this is really a very small map for a large state, cut into sections and laminated. The sections don't even meet up. Map of the state is on one side, and low-detail maps of urban areas on the reverse. Useful if you are just driving through or going to a tourist location, but very little detail beyond main highways.

The durable and convenient Washington EasyToFold state map will take all the wear and tear your journey can dish out. The heavy-duty laminated design allows you to mark your route, make notes, then wipe the surface clean for further use. This is a must-have for navigation whether you're a state resident or just passing through. Easy to fold means no fumbling Heavy-duty lamination allows you to write on, wipe off Durable and tear resistant Folds to display individual map sections Full-color maps with enhanced cartography Clearly indicated highways, county boundaries, points of interest, and more Quick-reference legend and city indexProduct DetailsDimensions: 9" x 4.25" folded; 18" x 17" unfolded
