**From Brand: Rand McNally : Rand McNally FabMap: Ohio State University and the Short North** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Rand McNally FabMap: Ohio State University and the Short North:

You will not want to put this waterproof map away. The fabMAP puts its paper predecessors to shame. You'll never need to worry about getting the fold just right as this tear-proof, wrinkle-proof, microfiber waterproof map is virtually indestructible. Throw it in a pocket or a purse or keep it out to show off, the fabMAP lets you know where you need to go in a new, fun fashion. These easy-to-read maps highlight points of interest, restaurants, hotels, and more. The fabMAP also can double as a cloth to clean eyewear, cell phones or laptop screens when on the road. Check out the most fun and convenient way to carry a map of the Short North and OSU (Ohio State University) Campus around. A waterproof map without the folding headache: This napkin-sized fabric map fits easily into pockets, purses, suitcases and kids' hands. Tough - and soft Fabric Map: This tear-proof, wrinkle-proof, waterproof map can stand up to the elements when you're on the road. A fabric map with more: This waterproof map will get you where you need to be, but it can also be used as a cleaning cloth or protective sleeve for electronics. Big type, big fun: Even though this fabric map is little, the roads and points of interest are easy-to-read.
