Terrible Map if you are actually trying to find your way!!By Heather FryThis is a terrible map!!I had to buy another one when I got to Nevada (It was better, and she gave it to me for free because I told her how bad this one was!). I am glad I didn't rely on this for getting around the state camping in the deserts!! Don't even bother!!0 of 0 people found the following review helpful. Glad I purchased this for my emergency kit. Good quality, great price, easy to read.By PerlaGreat to have encase of emergency. Easy to read, has all main freeways/highways and main roads, but don't expect every dirt road to appear on this map. Good price and quality, as pictured. A little thicker when folded than I imagined but it is a pretty big decent map for the price.0 of 0 people found the following review helpful.
